The diagram illustrates a flow of information or a process. It starts with three individuals on the left: Stephen HUI, Brian KAIN, and Keith BOOTLE. Each individual is associated with a box containing their name and a number (3-1 or 3-2). These boxes are connected by lines to a central point, which is then connected to a final box on the right labeled Stephen HUI. The flow is labeled with numbers 3-1 and 3-2.
